

# Welcome to East Hanover

The Township of East Hanover is the “Gateway to Morris County.” Traveling west from Essex County, the roads lead to this suburban community that has an effective mix of residential beauty, fine industry and successful commercial enterprises. Commerce and industry make it possible for residents to enjoy a low tax rate. In fact, East Hanover’s property tax rate ranks among the lowest in Morris County~2.171 per \$100 of assessed property valuation for the year 2016.

Incorporated in 1928, the Township of East Hanover covers an area of 8.2 square miles and is convenient to the metropolitan area and to a network of major highways. The community is adjacent to the municipalities of Parsippany-Troy Hills, Florham Park, Hanover Township (Whippany), Roseland, Livingston, and Montville.

According to the 2010 census, East Hanover’s population is 11,157. The public school system is excellent with two elementary schools and a middle school operated by the East Hanover Board of Education. East Hanover graduates usually move on to Hanover Park Regional High School, which is a highly respected high school operated by the Hanover Park Regional Board of Education.

Largely developed, East Hanover is proud of such major corporations as Novartis and Mondelez International in addition to more than 2,100 other business enterprises operating in industrial parks, contemporary office complexes and retail stores. Route 10 has become one of the finest shopping areas in New Jersey. East Hanover is also known for its cemeteries ~ Gate of Heaven, Restland Memorial Park and Heavenly Rest Memorial Park.

Mount Pleasant Avenue incorporates a historical district that had been placed in the Congressional Record. The First Presbyterian Church and its adjoining graveyard date back to the Revolutionary War. Many Native American artifacts have been discovered in various parts of East Hanover. The Cook Halfway House, built in 1752 and owned by Colonel Ellis Cook, served as a halfway house and tavern for travelers going from Western New Jersey to Newark during the Revolutionary time period.

The government of the Township of East Hanover is the Small Municipality Mayor and Council Form under the Faulkner Act. The Mayor and four Council members are directly elected by the voters. The Mayor is the Chief Executive Officer of the Township and participates and presides over the meetings of the Township Council. East Hanover is in the 27th Legislative District and 11th Congressional District.

The operations of the Township are coordinated by the Township Administrator and managed by the respective department heads. Listed in this informational pamphlet are Township departments and services that will be helpful to a resident in need of contact information.
